

"I am 27 years old. I come from Tibet. I have been living in Australia for 4 years. I started English lessons with the Literacy Network in July 2016. I meet my tutor once a week in the Literacy Network office every Tuesday. We start our lessons at 4PM and finish at 6PM.

During our lessons I write, I listen to the recorded conversations from computer. We often discuss daily news. I talk about what I did during the week.

We talk also about our holidays, geography, Australian nature, animals.

I tell my tutor about Tibet. We discuss matters that I currently deal with, like housing, employment or legal issues.

We practice new vocabulary. Sometimes we do grammar exercises. We use books from the Literacy Network office library.

Sometimes I do some homework. My tutor doesn't give me too much homework because she thinks that I also learn English at work and at TAFE.

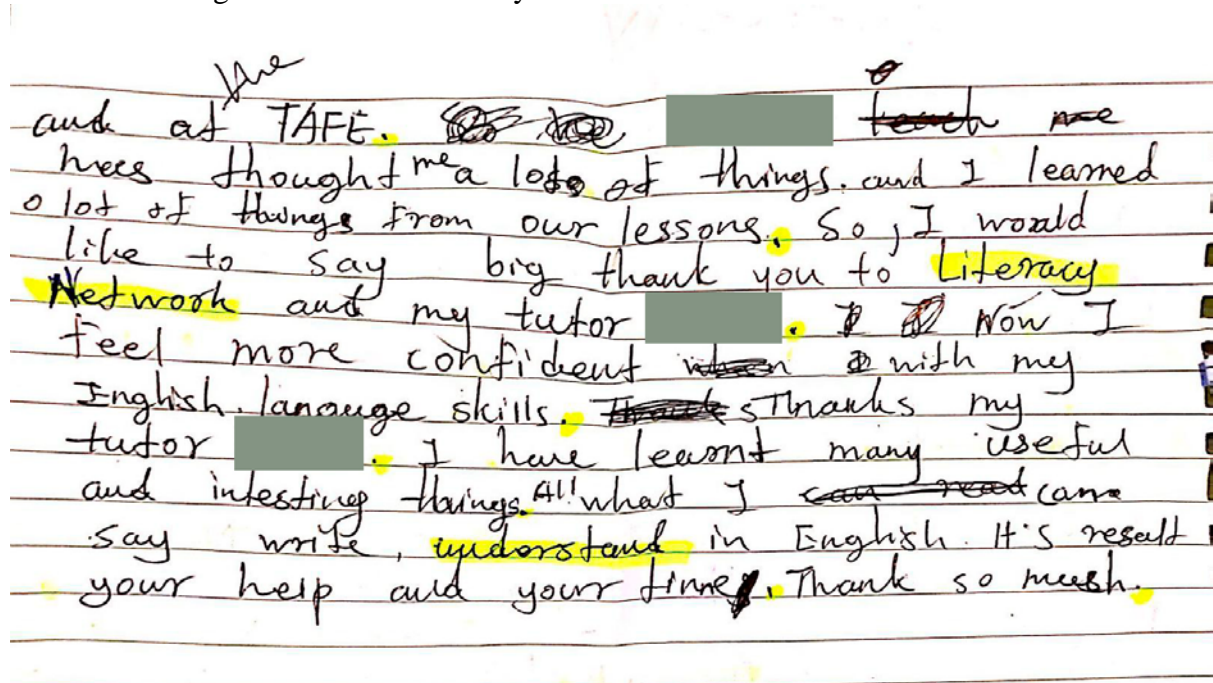

I currently study at TAFE. I completed Sandwich and Cafe Skills course, Responsible Serving of Alcohol and Gambling course. Currently, I am studying Commercial Cookery Certificate at TAFE.

My tutor has thought me a lot of things, and I learned a lot of things from our lessons.

So, I would like to say a big thank you to the Literacy Network and my tutor.

Now, I feel more confident with my English language skills. Thanks to my tutor I have learnt many useful and interesting things. All what I can say, write, understand in English it's result of your help and time. Thank you so much."
